

## Chapter 13

### CITY MARKET\*

Art.	I.	In General, §§ 13-1—13-20
Art.	II.	Parking, §§13-21—13-35
	Div. 1.	Generally, §§ 13-21—13-30
	Div. 2.	Parking Meters, §§ 13-31—13-35

#### ARTICLE I. IN GENERAL

##### **Sec. 13-1. Location.**

The city market shall be held in the buildings and upon the premises provided for the purpose by the city. (Code 1959, § 8-9)

##### **Sec. 13-2. Supervision generally.**

The building and maintenance superintendent shall open and close the market, preserve the peace and keep order within the city market area, and endeavor to preserve all public and private property therein from loss or injury by fire or otherwise. (Code 1959, § 8-4)

##### **Sec. 13-3. Preparation, posting of regulations.**

For the detailed operation and maintenance of the city market, there shall be prepared and posted suitable regulations approved by the city council. The building and maintenance superintendent shall have the power to enforce such regulations. (Code 1959, § 8-10)

##### **Sec. 13-4. Rates for space.**

The rates to be charged for stores, stalls and benches in the city market shall be incorporated in the regulations of the city market and before coming effective shall be approved by the city council. (Code 1959, § 8-14)

##### **Sec. 13-5. Collection and disposition of rents and fees.**

The building and maintenance superintendent shall collect all rents and fees due in connection with the city market, and shall, at least once each month, render to the director of finance, under oath, an account of all moneys received by him in his official capacity, and pay the same over to the city collector. (Code 1959, §§ 8-5, 8-12)

##### **Sec. 13-6. Inspection and arrangement of articles for sale.**

The building and maintenance superintendent shall order the arrangement and position of all articles brought to market and inspect the quality of the same. (Code 1959, § 8-7)

##### **Sec. 13-7. Sanitation.**

Sanitation in the city market shall conform to the laws of the state and the provisions of this Code and other ordinances of the city. The director of health shall inspect the city market upon request by the

building and maintenance superintendent. He shall advise the superintendent as to applicable sanitary provisions, which shall be enforced by the superintendent. (Code 1959, § 8-15)

**Sec. 13-8. Keeping market clean.**

The building and maintenance superintendent shall see that the market house and area are kept clean. (Code 1959, § 8-8)

**Sec. 13-9. Spitting.**

It shall be unlawful for any person to spit anywhere within the city market, except in proper receptacles provided therefor. (Code 1959, § 8-18)

**Secs. 13-10—13-20. Reserved.**

**ARTICLE II. PARKING\***

**DIVISION 1. GENERALLY**

**Sec. 13-21. Assignment of positions; exclusion of certain vehicles.**

The building and maintenance superintendent shall assign positions to all vehicles within the market area, and may exclude therefrom any vehicle not in the service of a vendor. (Code 1959, § 8-19)

**Secs. 13-22—13-30. Reserved.**

**DIVISION 2. PARKING METERS**

**Sec. 13-31. Penalty for violation.**

Any person who shall violate any of the provisions of this division shall be deemed guilty of a class 4 misdemeanor. (Code 1959, § 8-24)

**Sec. 13-32. Establishment of zone.**

The area included within the city market is hereby established as a one-hour, two-hour or three-hour parking meter zone and, insofar as applicable and except as hereinafter modified, sections 25-290 through 25-305, are made applicable to the parking meter zone hereby established. (Code 1959, § 8-20)

**Sec. 13-33. Parking when market is not in full operation.**

Parking in the city market area during the times the market is not in full operation as a market shall be in the designated parking meter spaces and only during such hours as may be designated by the city manager and indicated on appropriate signs in the area. At the expiration of the designated hours, all vehicles shall be removed from such market area whether or not there is any unexpired or unused time remaining on the individual parking meters. (Code 1959, § 8-21)

**Sec. 13-34. Parking when market is in operation.**

(a) Parking in the city market area during the time the city market is in full operation as a market by any person other than bona fide purchasers and sellers or intending purchasers or sellers who remain in the

\***Cross reference**—Stopping, standing and parking generally, § 25-247 et seq.

market during the time their respective vehicles are parked therein is prohibited. Parking by such bona fide purchasers and sellers or intending purchasers or sellers during the time when the market is in full operation as a market shall be in designated parking spaces only and shall be limited to such period of time, not exceeding one hour, as may be fixed by the city manager. This provision shall not apply to sellers who have rented stalls in the market and who park their vehicles in the stalls rented by them.

(b) During such times as the city market is in full operation as a market, the parking meters installed in the market area shall be hooded and not used and parking during such times in the market area shall be in accordance with the provisions of paragraph (a). (Code 1959, § 8-22)

**Sec. 13-35. Moving vehicles parked in violation.**

The building and maintenance superintendent, his duly authorized representative, or any police officer charged with the enforcement of traffic regulations in the city, may move or cause to be moved any vehicle parked in violation of the provisions of this division, at the expense of the owner of such vehicle. (Code 1959, § 8-23)
